

Lawn & Yard Maintenance Support

Need help with an upcoming inspection or is the wheelchair getting bogged going to the letter box?  are here to help you. Being able to access home help services can make all the difference to the comfort and safety of your home.

Services include :

- Light gardening
- Weeding & pruning
- Clearing debris
- Lawn mowing
- Minor garden maintenance
- Rubbish removal

The NDIS can provide funding for cleaning, gardening, and maintenance, but only if they are related to your disability and meet the reasonable and necessary criteria. For example, if you're unable to mow the lawn because of your disability, you can hire a gardener through your NDIS funds.

So help is at hand with the Assistance with Daily Life funding, which comes under the Core Supports budget in your plan. We also support both private clients and in the near future people with government Home Care packages and NDIS agency managed.

You may directly book services with  and we will issue you with the service invoice for you to submit to claims. Minimum 3 hour bookings for lawn and garden, properties over 600sqm, clearing debris and rubbish removal need to contact the Care team for a quote.

Call our Care team today on **0499 884 559** or go to website and book a service.
